

Norwegian Ministry of Transport and Communications

ICAO – CORSIA – status update - Council

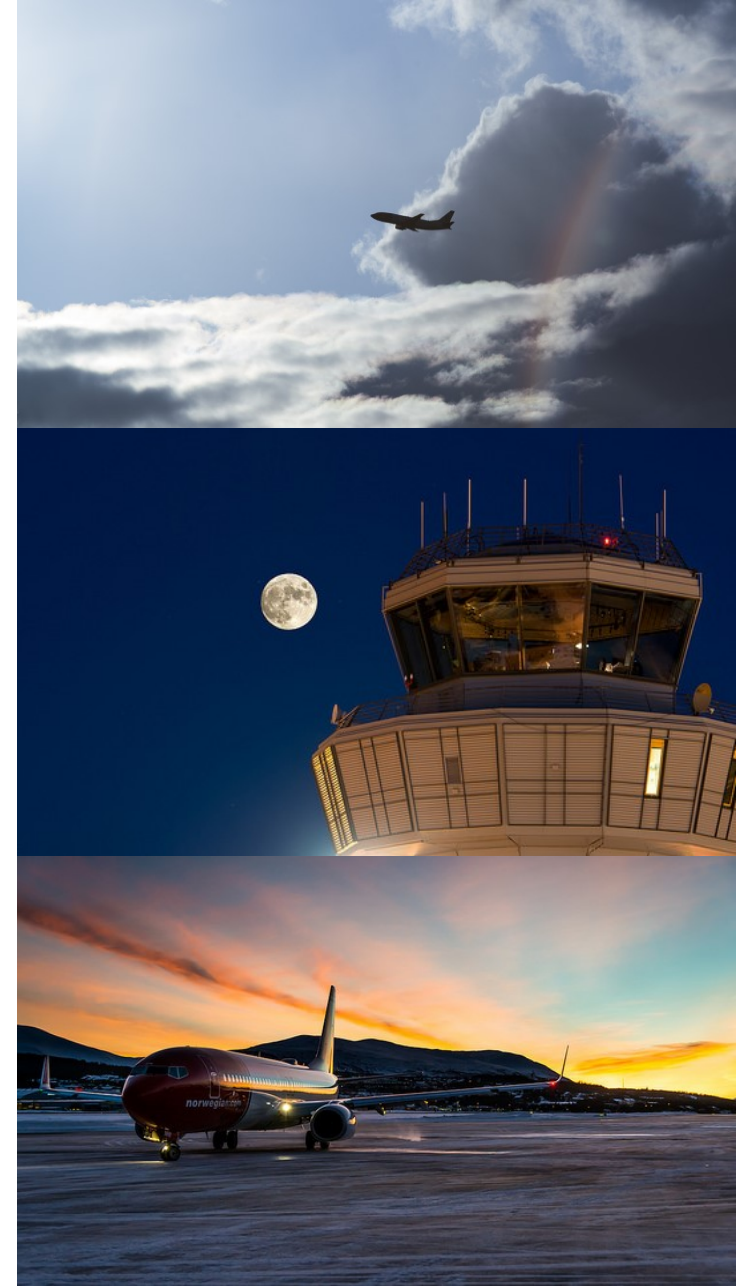

Karl Koefoed, Senior Adviser

N-ALM/61 Meeting – Copenhagen – 29-30 October 2018

214th ICAO Council session – May/June 2018 - outcome

- ICAO Council adopted CORSIA amendments to Annex 16 – new volume IV on 27 June 2018
- MRV has been adopted, and CORSIA will enter into force on 1 January 2019.
- Left for approval – implementation elements for emission units criteria and sustainability criteria for alternative fuels.
- Other aspects to be noted
- Comments to the outcome

CORSIA: 215th Council Session – October/November 2018 - which topics are likely to be discussed?

- Likely to be discussed:
 - Eligibility of emission units
 - General transparency
 - Report of Programme Testing Group (PTG)
 - Set-up of the Technical Advisory Board (TAB)
- Likely to be left for later:
 - Double counting
 - Sustainability criteria
